Petitions to revive under 37 CFR 1.137(a) or (b), or requests to withdraw the holding of abandonment under 37 CFR 1.181, should be promptly filed to minimize any negative effects on patent term.

Item 7 - Other reasons for holding abandonment: As per a previous phone conversation, the Applicant had agreed to call the Examiner by Nov 19, 2006 to notify the Examiner of his intention to file a response; otherwise, the case would be abandoned thereafter. In other words, the Applicant had agreed that if he did not contact the Examiner by Nov. 20, 2006, he would implicitly authorize the Examiner to abandon the Application. Since the Applicant did not contact, as agreed upon, the Examiner has now decided to abandon the Application for failure to timely respond. .
